

St. Joseph's Catholic Primary School

'Growing in Faith, Faith in Growing'

After School Activity Sessions

Dear Parent

The list of this half-term's activities is attached along with a form to be completed for the activities your child / children to take part in.

Activities begin week starting the 8th September for 7 weeks until the week ending the 24th October

The price for each session will be £2 or £14 for 7 weeks.

All weekly payments must be paid on the morning of the session or at the start of the week, or 7 weeks in advance. Please ensure money is in an envelope clearly marked with your child's name and the day and club they are paying for. If payment is not paid in to school on the morning or day before the club takes place it will be taken that your child is not attending and for safeguarding reasons will not be included in the register for that day. We will then be expecting your child to be collected at the normal time.

Each activity will run with a strict register of attendees!

The children must be signed up to the activity at the beginning of each half term and will then be expected to attend **for the full duration of each course**. If a child cannot attend for any reason please inform Mrs. Davies. To avoid disappointment please book on the club early as clubs have limited numbers. The school cannot be held responsible for any damage or loss of DS consoles or games.

Each parent will be asked to make assurances about collection of children at the end of each activity. If a child is collected late consistently they will not be able to take part in the after school activities.

Yours sincerely
Janet Davies
