### Look what's New

#### NEW pick and mix packed lunch

We understand that some parents may wish to give their child a hot meal for their evening meal and therefore choose to give their child a sandwich for their lunch.

We also offer a sandwich as an option as an alternative to the hot meal of the day. Pupils choose a sandwich filling (tuna, turkey, cheese or ham), some veggie bites, a home bake and a piece of fruit.

This is available every day so if there is something on the menu that your child does not like, they can choose one of our packed lunches instead.

**You can now pre – order your child's healthy packed lunch by filling in the attached order form and returning by Friday morning for the following week. Starting after half term so please return your form Friday 20<sup>th</sup>**

#### Free School Meals

**Don't forget!** All children that are in Reception, Year 1 and Year 2 are entitled to receive UNIVERSAL FREE SCHOOL MEALS! This includes the healthy packed lunches so why waste money? We think it's a fantastic idea so please make sure you support this initiative. Not only will you be saving money, but you will also be giving your child a nutritionally balanced meal to fuel their bodies for the rest of their learning day.

Please note this is not to be confused with FREE SCHOOL MEALS which is an entitlement that some children can receive due to their parents/carers circumstances. If you feel you may be entitled to receive FREE SCHOOL MEALS you should request the relevant forms from your school office.

#### The Aspens App

This is ideal for parents to check out what's on offer for lunch with just a couple of presses on your smartphone. It's simple enough – just search for the app at the App Store, install, add the unique PIN relating to your particular school and you will be able to view the current menu. Ask a member of the team or at the school office for your number.
