Action Plus is our most popular package for school groups. It's jam packed full of adrenaline fuelled activities, perfect to build confidence and strengthen relationships. It can be adapted to achieve the aims of your residential such as teamwork, communication or even numeracy. This package is designed to give increased contact time with our instructors who are highly trained to deliver fun and engaging sessions whatever the age, ability or experience of the students. Take the hassle out of a school residential by booking our Action Plus package which is fully inclusive of meals, accommodation and 10 activities across 3 days.
