

PHONICS SCREENING

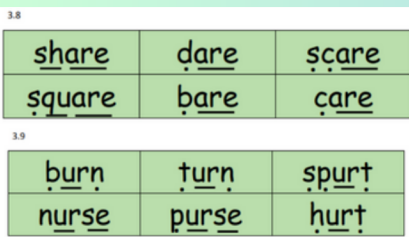

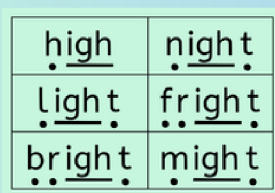

What is our scheme here at St Joseph's?

Read Write Inc (RWI) is a phonics complete literacy programme which helps all children learn to read fluently and at speed so they can focus on developing their skills in comprehension, vocabulary and spelling.

SPECIAL FRIENDS. FRED TALK, READ THE WORD

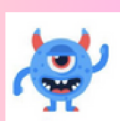

Remind your child to read words using 'Special Friends, Fred Talk, read the word'

For example- 'ship': spot the 'sh', then Fred Talk and blend to read the word e.g. sh, sh-i-p, ship.

This will really help your child in their phonics screening test as it will remind them to look for those special friends in words.

WHAT HAPPENS DURING THE SCREENING?

The test contains 40 words.

Each child will sit one to-one and read each word aloud to a teacher.

The test will take approximately 10 minutes per child, although all children are different and will complete the check at their own pace.

PASSING PHONICS SCREENING

To pass the Phonics Screening Test, children have to read at least 32 words out of 40 correctly.

The test will be administered the Week Commencing 10th June 2024.

HOW CAN I HELP SUPPORT MY CHILD WITH THEIR PHONICS?

Listen to your child read their Read Write Inc. Storybook every day for at least 15 minutes.

Practice reading the Green words and Red words in your child's reading book.

Complete any phonics homework which is sent home with the children.

If you are unsure about anything, please see your child's class teacher. They will help you and support you with your child's reading.

Please scan the QR codes on the Year 1 windows or inside planners. These will take you directly to the sound your child has been learning or speedy words from the books.

Read to child- This models good reading skills and promotes reading enjoyment. Have a special book box or bag where your child can keep the stories and any other texts, such as comics or non-fiction books, you've read together recently.
