

Year 5 Curriculum Overview for Parents

Summer 1 2024-25

What will your child be learning this half term?

Reading into Writing – In Reading into Writing this half term, we are reading the novel *Kensuke's Kingdom*. We will be writing a character description, focussing on our use of commas for clarity and to avoid ambiguity.

We will be answering comprehension questions based on the novel using our VIPERS scheme, focussing particularly on retrieval, inference and vocabulary.

Religious Education (R.E.) – in RE, we will be learning about Easter – thinking about Church's Celebration of Easter through the Easter Vigil, about the Church's belief in eternal life through the Easter Story and the Story of the Ascension of Jesus into heaven.

We will then progress onto Pentecost, where the children will gain greater insight into the Church's belief in the Holy Spirit. It will also explore the Christian belief in the Holy Trinity and prayer and devotion to the Holy Spirit.

Maths –

Our Maths this half term is based on percentages and geometry.

- Writing percentages
- Equivalent fractions, decimals and percentages
- Comparing proportions using percentages
- Naming and measuring angles
- Drawing angles
- Rectangles and squares
- Quadrilateral angles
- Problem solving with angles and lines
- Regular and irregular polygons

It is still crucial that children keep on top of their times tables knowledge, so regular practise on TT Rockstars is essential. Copies of all times tables can be found at the back of the pupil planner.

Spelling, Punctuation & Grammar –

Year 5 words can be found at the back of the pupil planner – it is essential that the children know how to spell these.

Week 1: device, devise, advice, advise, stationary, stationery, assent, ascent, compliment, complement

Week 2: community, bargain, communicate, accommodate, committee, awkward, achieve, category, amateur, cemetery

Week 3: excellent, criticise, definite, embarrass, conscience, dictionary, familiar, equipment, exaggerate, conscious

Week 4: hindrance, marvellous, guarantee, foreign, immediately, mischievous, interfere, leisure, frequently, muscle

Mental Maths –

This half term we will focus on:

- Decimal addition
- Negative numbers
- Counting backwards in intervals of more than 1

Geography - In Geography, we are studying Sustainability. We will be looking at what this is, what a carbon footprint is, how we can use energy sustainably, how we can reduce food waste and what biodiversity is.	Science - In Science, we are learning about the life cycles of plants. We will be looking at reproduction of plants, the different parts of a flower and how plants can be used.
Physical Education (P.E.) Children will need their PE kit in school on Mondays and Fridays: red round-necked PE top, <u>navy</u> shorts, plain black pumps. This half term in PE, Year 5 are doing cricket and rounders.	Music - In Music this half term we will be practising our exam pieces ready for our exam in summer 2.
Personal, Social & Health Education (PSHE) - Our PSHE learning this half term is focussed around being created and loved by God. This will focus on the Holy Trinity and the Catholic Social Teaching value of dignity of work. We will also put our faith into action by preparing our school grounds for their summer flowers.	Art - In Art this half term, we are looking at set design. Our final project will be to make our own set using a show box and other craft items.
Computing - Selection in Quizzing: pupils develop their knowledge of selection by revisiting the 'If... Then... Else...' structure. They represent this understanding in algorithms and then by constructing programs using the Scratch programming environment. They use their knowledge of writing programs and using selection to control outcomes to design a quiz in response to a given task and implement it as a program.	

Other Important Information

Key dates for this half term:

- **PLEASE REMEMBER TO MAKE PAYMENTS FOR YEAR 5 OVERNIGHT TRIP TO WOODLANDS**
