

Year 6 Curriculum Overview for Parents

Autumn 2 2022

What will your child be learning this half term?

Guided Reading – In Guided Reading, we are studying the book 'Tom's Midnight Garden' by Philippa Pearce. We will be looking at characters and themes in the book but also answering comprehension questions based on these using our VIPERS scheme. Children will use their retrieval, inference, prediction, vocabulary and summarising skills within lessons.

Religious Education (R.E.) – In RE this term, we are looking at Prayers in the lives of the followers of Christ and Advent.

Prayers in the lives of the followers of Christ - We will be looking at the gestures of prayer, traditional prayers, what Jesus taught us about prayers and the importance of Mass.

Advent - We will be looking at the different candles on the Advent wreath and what they represent. We will also be learning parables that Jesus taught his followers about waiting, writing our own Advent prayers and acting out parables.

Writing – In English this term, we are studying the classic 'A Christmas Carol' by Charles Dickens. We will be looking at the character of Scrooge and studying his character flaws. We will write a character flaw story from this. We will also be writing a biography on Charles Dickens and writing a descriptive poem of a London street using 'show not tell' and the 5 senses.

Maths – In Maths we are focusing on multiplying and dividing numbers by 2 and 3 digits, solving word problems and finding common factors, multiples and prime numbers. Children will continue to practise their arithmetic skills through mental maths and using 'freckle' every day, with a focus on times tables, addition and subtraction, etc. It is important that the children know all of their times tables as this will help them in all lessons.

Freckle

Spelling, Punctuation & Grammar – This term, we will be looking at word level objectives.

Week 1 – word classes
Week 2 – determiners
Week 3 – expanded noun phrases
Week 4 – fronted adverbials
Week 5 – relative and possessive pronouns

Spellings

We will have a spelling test on a **Friday**.

The spellings for each week will be glued in your child's planner at the start of each term.

Mental Maths -

This half term, we will focus on:

- Column addition and subtraction
- Short division and Long Division
- Long Multiplication
- Adding and subtracting fractions
- Multiplying and dividing fractions
- Identifying prime numbers, factors and multiples
- Times Tables

These are the different focuses for the spellings each week: Week 1 – words ending in -able Week 2 – words ending in -able Week 3 – words ending in -ably Week 4 – word families based on common words Week 5 – word families based on common words Week 6 – creating diminutives using prefixes micro- and mini-	Mental maths will be taught through the use of mental maths sessions, daily use of Freckle and 'Hot Brain' sessions where the children will focus on arithmetic style questions.
History - In History this term, we are learning all about Crime and Punishment and looking at how crime and punishment has changed throughout the ages to the modern day today. We will be looking and discussing at different methods of crime, how the legal system came into action, look at a modern court today and why crime and punishment is so important in society and the past. 	Science – In Science this half term, we are looking at Sustainability. We will be looking at what everyday materials are made from, why recycling is important and what can happen to our world if we don't recycle. We are also looking at fossil fuels and what happens when these fuels are burnt. We will be looking at what global warming and climate change is and how we can make a difference today for our future. 
Computing – In Computing this term, we will be focusing on computing systems and networks - Communication and collaboration. In this unit, learners explore how data is transferred over the internet. We will initially focus on addressing, before we move on to the makeup and structure of data packets. Children will then look at how the internet facilitates online communication and collaboration; they complete shared projects online and evaluate different methods of communication. Finally, they learn how to communicate responsibly by considering what should and should not be shared on the internet.	French – In French this half term, the children will be focusing on the world cup and using this as a focus for their French lessons. Week 1 - To learn and explore vocabulary using different techniques Week 2 - To read and de-code French football player profiles Week 3 - To use words and phrases to say from which place or country a person comes from Week 4 - To revise all vocabulary to compete in a vocabulary tournament Week 5 - To use my knowledge of football related vocabulary to create a football player profile
Personal, Social & Health Education (PSHE) – In PSHE this half term, the children will be following the Life to the Full scheme. They will be completing the following units: • LTTF: Loved by God - Religious Understanding. • LTTF: Loved by God - Me, My Body, My Health • Anti-Bullying Week.	Art / DT – In DT this half term, the children will be making their own item out of recyclable items. Whether this be a moneybox made out of cereal boxes, a plant pot made from an old water bottle or a bird feeder made from a milk bottle. This links well with our sustainability topic in science and allows the children to research, plan, design, make and evaluate their own product.  
Physical Education (P.E.) – In PE this half term, the children will be focusing on gymnastics and football. We will be recapping basic skills such as passing, dribbling and shooting. In gymnastics, children will be learning different movements and stretches. Children will need their PE kit in school on Wednesday and Fridays.	Music – In Music this half term, the children will be focusing on Keyboard skills and other instrumental skills developed. They will begin to play with both hands. Also a full drum kit (including feet pedals) will be used to create rhythmic variation.

Other Important Information

Important Dates:

- Friday 9th December – Christmas Faye 3.30 – 5.00
- Monday 12th December – Meeting for Year 6 parents for Confirmation – 6pm – Holy Trinity Church, Bilston
- Friday 16th December – children break up for Christmas half term

Fun Things happening in Year 6

- Thursday 3rd November – One Life retreat day
- Thursday 10th November - Art - Screen Printing workshop
- Thursday 8th December – Whole school trip to the theatre
- Wednesday 14th December – KS2 Christmas Carol Service
- Thursday 15th – Christmas Craft afternoon
- Friday 16th – Christmas Party

Homework in Year 6

- Children are expected to read every day for 15 - 20 minutes – please sign your child's planner to show that this has been completed.
- Spellings will be stuck into planners and shared on the class page of the school website. Please help your child to learn these spellings at home. Spelling tests will take place on **Fridays** each week.
- Mental Maths – The focus for the mental maths test each week will be displayed on the class website page. Please help your child to practise at home. Mental Maths tests will take place on Fridays each week.

If you have any questions or concerns, please speak to me at the end of the school day or contact the school office to make an appointment- I am here to help. ☺
