We will be looking at how the following have changed:	Science - During our unit on Building Things, we will be distinguishing between an object and the material from which it is made from. We will be identifying and naming a variety of everyday materials including

✓ Music ✓ Toys ✓ Food/products ✓ Communication	wood, plastic, glass, metal, water and rock. With all of this, children will then compare and group a variety of everyday materials based on their simple physical properties.
Physical Education (P.E.) Children will need their PE kit in school on Monday and Thursday. This term, children will be looking at Dance in their PE lessons.	Design and Technology In DT this half term, we will be making a house for The Three Little Pigs out of shoe boxes, cardboard, bottle tops and many other materials. This cross curricular learning allows the children to apply their English learning and Science learning to create a DT project.

Personal, Social & Health Education (PSHE) - Unit 1 - Religious Understanding introduces children to the story from the Gospel of Matthew, when Jesus welcomed all of the little children to come to Him. The five-story sessions encourage children to understand that they are created by God out of love and for love. Children will revisit this Gospel story at the end of this Module. Unit 2: Me, My Body, My Health- Me, My Body, My Health encourages children to celebrate similarities and differences between people, including our God-given bodies and the things they enable us to do! Teaching also includes maintaining personal hygiene and the physical differences between boys and girls. We will be learning about bullying and how to reach out for help if we or someone we know is being bullied. We will also be exploring differences and diversity by visiting the local Hindu temple to find out more about Diwali and closer to Christmas we will explore the different ways Christmas is celebrated around the world.	Music- ✓ Increase range of notes and swap instruments. ✓ Begin to follow direction during a performance
	Computing - In computing, Year 1 will be becoming more familiar with the different components of a computer by developing their keyboard and mouse skills, and also start to consider how to use technology responsibly.
