

Pupil Voice - Art project with Claire

Tell me about what you were learning in art

How to use tools

How to design a sculpture

Tell me about your favourite part of the project

Everything

Hammering, sawing, sanding- using the tools

Designing

Making the sculptures especially our little one

Using wood

Was there anything you disliked or thought could be improved

Using tools in case I got hurt

Not being here to do it

I would have liked a longer time to do it

Would you like to do it again?

All - yes maybe do a different model or different materials

How did it make you feel?

Proud, excited, scared, nervous, joyful, great, grateful happy, brave, confused at first

How does it build on what you already know?

We hadn't really done anything like this for a while

Tell me something new that you have learnt during the project

How to saw

How to be safe when using the tools

What do you do if you don't understand something?

We asked the teacher or Claire
