

Physics - Sound progression: Year 1 - Year 6

Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
			identify how sounds are made, associating some of them with something vibrating		
			recognise that vibrations from sounds travel through a medium to the ear		
			find patterns between the pitch of a sound and features of the object that produced it		
			find patterns between the volume of a sound and the strength of the vibrations that produced it		
			recognise that sounds get fainter as the distance from the sound source increases
